# THURMAN TOWNWIDE SALE

May 13<sup>th</sup>, 14<sup>th</sup> and 15<sup>th</sup>, 2011

Welcome to the Thurman Townwide Sale. As you can see, our yard sale bonanza spans three days. The days and hours of the sale provide general guidelines. Some of our sellers will sell all three days, and others only selected days. Some open early, some a tad late. We have noted to the best of our ability the availability of each on this listing. We hope these pages of information and accompanying map will help you to find all of the sales and conveniences you are looking for all weekend long. Do save the map and calendar of upcoming events so you can come back to enjoy our Monday Night Concerts in the Park, Thurman Woodsmen's Competition, the annual historic house tour, Fall Farm Tour, Country Christmas Bazaar and much more. There's seldom a dull moment in Thurman!

For your safety and convenience, please note:

- **Safety:** The Sheriff's Department has advised us that motorists who park unsafely may be ticketed. To avoid this risk—and, more importantly, to prevent accidents—please make every effort to park with *all four wheels* outside the solid white “fog line” seen at the side of the road.
- **Gas:** There is **NO GASOLINE** sold in Thurman, so please watch your gauge.
- **ATM:** It is *unlikely* that the ATM at the Athol General Store, 113 Mountain Road will be functioning, as the store is closed.
- **Phone:** Cell phone service is nonexistent in most parts of town. If you are desperate, your best luck will be down along the river or at high elevations such as found on Sky Hi Road. There's a land line available just inside the unlocked town hall entryway, 311 Athol Rd. It may be used for local or calling card calls only.
- **Rest rooms** can be found
  - all three days at: 311 Athol Rd., at 564 River Rd. (Glen-Hudson Campsite), and at the Beagle Club on Zaltz Rd.;
  - all three days at 188 Bear Pond Road;
  - Friday, Saturday (and Sunday after church only) at Thurman Baptist Church, 380 S. Johnsbury Rd..
- Our sale is made possible each year by enthusiastic cooperation from many groups and individuals, and it would be impossible to credit them all in this small space. We would be remiss, however, to fail to mention our immense gratitude to the Town of Thurman for its support with occupancy tax dollars, Thurman Volunteer Fire Company for help with map distribution, Thurman EMS for opening its doors and being ready to help, the local businesses that have been so generous with their advertising in this publication, and *The Dollar Stretcher* for again allowing us to share our sale map with all of their readers.

**KEY:** “SITE #” = 911 house number; “MF” = multi-family sale; “RR” = rest rooms;  
 FRI = Friday only; SAT = Saturday only; SUN = Sunday only; F/S = Friday and Saturday;  
 S/S = Saturday AND Sunday; F/S/S = all three days

**BOLDFACE ENTRIES**=benefits for nonprofit groups, or special services to shoppers and multifamily

**REST ROOMS** The Upper Hudson Beagle Club has kindly made their rest rooms available to shoppers. Please be considerate and use waste baskets for disposal of trash.

We hope you will enjoy your shopping adventure in Thurman and will plan to visit again when you can stay longer. Log on to [www.thurman-ny.com](http://www.thurman-ny.com) to plan your next visit or to add your address our emailing list and we'll notify you of upcoming fun here in town.

The Thurman Townwide Sale Committee is grateful to the town of Thurman for use of occupancy tax funds to help us invite so many nice visitors to our town.

As always, we extend our sincere thanks to Thurman Emergency Services and Thurman Volunteer Fire Department for providing services this weekend and for watching after our safety all year long.

And this note of appreciation would not be complete if we did not mention the generosity of our local businesses in supporting the sale efforts by purchases of ads in our map packet. Although Thurman has no "downtown business district" there is enterprise aplenty here. We invite you to scroll down and see the many products and services we have to offer. Many of the businesspeople will be hosting sales over the weekend, so you might chat business with them when you stop to shop for treasures!
